NEWS RESLEASE FOR ENVIRONMENTAL DEVICES CORPORATION

Environmental Devices Corporation of Plaistow, NH announces today the acquisition of PAX Analytics, Inc. headquartered in Hinesburg, VT. PAX Analytics designs and manufactures gas sensors and monitors for measuring “Critical Air Pollutants” as designated by the United States Environmental Protection Agency for national air quality standards.

This acquisition will broaden Environmental Devices Corporation current Particulate Sensors and Air Quality Monitors product lines and strengthen its position as a global leader in the Environmental and Industrial Air Quality monitoring marketplace.

Product information can be found on website www.paxana.com
